

## RESTOCKING POLICY

### Qualicast Medium Voltage Transformers

Only items available from Ritz on an ex-stock basis will be considered for return. Good must be in an unused and resalable condition. The restocking charge is 20% and a purchase order should be issued for this service. The customer is responsible to pack the goods properly, ship the goods prepaid and FOB our factory.

### High Voltage Oil-filled Equipment

High voltage product returns are normally not accepted but each request to do so will be considered on its own merits.
